Rubric: Meals on a Budget - 1 week

Develop a menu for seven days for a family of four with a budget of \$70. You will have to plan for 3 meals a day. Your menu must reflect a balanced diet. <http://www.choosemyplate.gov/> Your project can be presented using iMovie or Keynote.

Presentation				
	Exceeds Standard 10 pts	Meets Standard 7 pts	Approaching Standard 4 pts	Below Standard 0 pts
Menu Development	Exceeds Standard Menu shows research about menu planning with no or minor mistakes. Menu also shows the price of each meal. Also share the website of recipes used.	Meets Standard Menu shows some research about menu planning. Menu shows some prices and only some of the recipes websites are provided.	Approaching Standard Menu shows very little research about menu planning. Menu shows only a few prices and only a few of the recipes websites are provided.	Below Standard Menu shows no research documented about menu planning, pricing or recipes.
Math	Exceeds Standard Project provides the math evidence used to determine the cost of each meal.	Meets Standard Project provides some of the math evidence used to determine the cost of each meal.	Approaching Standard Project provides very little of the math evidence used to determine the cost of each meal.	Below Standard Project provides none of the math evidence used to determine the cost of each meal.
Language Arts	Exceeds Standard Project demonstrates correct use of words, sentence structure and spelling.	Meets Standard Project demonstrates some proper use of words, sentence structure and spelling.	Approaching Standard Project demonstrates minimal proper use of words, sentence structure and spelling.	Below Standard Project demonstrates incorrect use of words, sentence structure and spelling.
Professional appearance	Exceeds Standard Menu is neat, colorful, creative and professional in appearance. Could I display it in the front of a restaurant?	Meets Standard Menu is mostly neat, colorful, creative and professional in appearance. I would really consider displaying it in the front of a restaurant.	Approaching Standard Menu is minimally neat, colorful, creative and professional in appearance. I might display it in the front of a restaurant.	Below Standard Menu is not neat, colorful, creative and professional in appearance. I could not display it in the front of a restaurant.
